

# CanGene-CanVar Annual Pan-Program Meeting 2020

Meeting Date	Friday 7 February 2020
Meeting Location	Friends Meeting House, Euston
Time	9:30am to 5pm

## Session 1: Setting the Scene

Time	Topic	Speaker
9:30am	Overview of CanGene-CanVar	Clare Turnbull <i>Institute of Cancer Research</i>
9:45am	Overview of NHS Genomic Medicine Service	Ellen Graham <i>NHS England</i>
10am	Overview of Public Health Genomics Foundation	Laura Blackburn <i>Public Health Genomics Foundation</i>
10.15am	Discussion	

## Session 2: Making Record Linkage Work

Time	Topic	Speaker
10:30am	Overview of Genomics-PHE Record Linkage	Clare Turnbull <i>Institute of Cancer Research</i>
10:35am	National collection of Genomic data: Progress to date, challenges, plans forward	Steven Hardy <i>Public Health England</i>
10:50am	Creating linked datasets using NCRAS and other national data collections: Experiences from CORECT and plans for CGCV	Eva Morris <i>University of Oxford</i>
11:00am	Opportunities from record linkage in imaging research: Experience to date and opportunities from CGCV	Fiona Gilbert <i>University of Cambridge</i>
11:15am	Discussion	

11:40am Coffee Break (20 mins)

## Session 3: Variants and risk: Resources for Clinical Laboratories

Time	Topic	Speaker
12pm	Interpretation of Cancer Susceptibility Gene variants- Challenges and Needs: A GLH perspective	Miranda Durkie <i>Sheffield Children's NHS Foundation Trust</i>

12:15pm	Variant Interpretation and Cancer Susceptibility Genes	Clare Turnbull <i>Institute of Cancer Research</i>
12:30pm	CanVIG-UK (Cancer Variant Interpretation Group UK)	Alice Garrett <i>Clinical Fellow WP2</i>
12:40pm	CanVar-UK Data Resource	Clare Turnbull, Cankut Cubuk <i>Bioinformatician WP2</i>
12:50pm	Discussion	

13:15pm Lunch (30 mins)

#### Session 4: Improving clinician understanding and management of risk

Time	Topic	Speaker
13:45pm	Clinical Guidance Work Package : Work to date and plans forwards	Marc Tischkowitz <i>University of Cambridge/Addenbrookes</i> Helen Hanson <i>ICR &amp; St Georges University NHS Trust</i>
14:05pm	Cancer Susceptibility Genomics: needs in Primary Care	Imran Rafi <i>RCGP</i>
14:15pm	Cancer Susceptibility Genomics: needs in mainstream oncology	Ellen Copson <i>University of Southampton</i>
14:25pm	Overview of The Winton Centre and work in public communication of risk	Gabe Recchia <i>Winton Centre, University of Cambridge</i>
14:40pm	Overview of The Genomics Education Program and work to date in cancer susceptibility genetics and risk	Anneke Sellers <i>Health Education England</i>
14:50pm	Educational Resources Work Package: Work to date and plans forwards	Katrina Tatton-Brown <i>St George's University London</i>
15:05pm	Discussion	

3:30pm Coffee Break (15 mins)

#### Session 5: The patient perspective

Time	Topic	Speaker
15:45pm	Patient Facing Tools Work Package: Work to date and plans forwards	Claire Foster; Kelly Kohut <i>University of Southampton</i>
16:05pm	The patient perspective on CGCV	Lesley Turner <i>Chair of PPI group</i>
16:15pm	Ethics and Data-sharing Work Package : Plans forwards	Nina Hallowell <i>University of Oxford</i>
16:25pm	Discussion	

#### Closing Remarks

5pm finish
